

### **Brian and Rebecca Eichenberger - July 2nd, 2005**

On July 2nd I was married to Rebecca Schoepke in a small ceremony in my parents' backyard in Apple Valley, MN.

Rebecca grew up in Cleveland OH and we met in Las Vegas. She was selling water purification systems door to door and, one fine Saturday she just showed up at my door. She got about 2 minutes into her presentation and then just gave up. She said "You're not even remotely interested in this water system, are you?" and I said "nope." So she put away her test tubes and little digital whatever-o-meter and we went out for coffee. A little over a year later, we were moving up to Minnesota and getting married. I've never been happier.
