

***It Was Amazing!***  
**by Pat Ruggles-Wilson (AZ)**

On Jan. 4th my husband Lou and I made the trip to Summerlin NV, about 118 miles from our Kingman AZ home to see the FF at Suncoast Casino. He'd never gone with me to see them in the past (his interest was mainly "Notre Dame fight song", "Battle Hymn of the Republic" and "1812 Overture") so I was a little apprehensive. But when Curtis came on stage with the group my first thought was of his hair and what my mate's comment would be. After the first couple of tunes were over, Lou turned to me and said "They are good and that kid is great." He liked it all as I have for fifty years now!

When the concert was over I went to the FFS Hospitality Room, met the guys and many people. I talked to Lorraine who asked me to send these photos to you by 2/12, so here they are. The two gals with Vince are from Phoenix. We met on the Airport Casino Shuttle the day before - they are great fun! I talked with Flan. He is still great and my age.

Mel Meyers, our AZ Rep was at the concert when they began, but his wife, Barbara, was ill so I didn't meet the NV Rep, but Mel is very nice. I had phoned him in November about the concert.

The next time the guys play in our area Lou and I'll be there.

**P.S.** Does any FFS member recall the 40's and Ruggles Beach, Ohio? Let me hear from you. I'm at Email - palow@citlink.net
